- Effective communication for resolving conflict, increasing collaboration and gaining followership
- Managing up and influencing
- Resilience and mindset strategies
- Leveraging the science of high performance for increased productivity and overall happiness
- Authentic and inspiring leadership for leaders at all levels

More about Susan

With over three decades as a corporate business leader, Susan's vast experience and education, combined with her deep passion for learning and growth, are a winning combination. Through the Association for Integrative Psychology, Susan holds certifications in Neurolinguistic Programming, Mental and Emotional Release and Advanced Clinical Hypnotherapy (mindset and goal setting). She is also certified as a coach and mentor through HeartMath Institute, an organization with over 300 scientific studies on the intelligence of the heart. Additionally, Susan is certified in Meyers Briggs and holds a degree in Liberal Arts.

Client Testimonials and Client List

Susan helped me rediscover my inner power and voice during a transformative stage in my career. She is kind, curious, and insightful—an incredibly balanced and effective coach.

– Jane Mitchell, Executive Leader, Engineering & Operations

I am a different and better leader thanks to Susan's mentorship. She used powerful tools and deep empathy to support my growth. Please work with her—you won't regret it!

– Artur Szczepanek, CFO, DRYFTI

Susan's approach sparked self-discovery and gave me clarity on my values and goals. Her creativity, insight, and efficiency made a lasting impact on both my career and personal growth.

– Kate Brunson, Director of Sales, Nestlé Health Science

Susan has an innate ability to connect with the people that she works with and provide them with the tools and insights needed to be successful. She was a very intent listener and then worked closely with me to leverage strategies to improve my focus and presence, frameworks to tackle the given situation. Very quickly after starting with Susan, I saw the effects of her coaching on my day to day. I am tremendously grateful for her support, and I know I will be using the resources she shared with me for years to come.

– Thomas Lojko, Global Director, Solutions Architecture, Iterable

Susan took the time to understand my personal and professional development needs as well as my strengths & weakness and current capabilities. Her ability to help you cultivate and manifest outcomes as well as insights into tools to help navigate new ways of thinking really made an impact for me and separated her from my other coaching experiences.

– Ken Walsh, Senior Director Business Operations, Global R&D, CSL Behring

I worked closely with Susan to develop a leader on my team who was taking on a bigger role and working through addressing personal challenges. The transformation was tremendous to everyone on the team and throughout the organization. Susan brings experience, expertise, drive, and a refreshing levity to the world of coaching. This driven, yet down-to-earth style makes working with her an absolute pleasure.

– Head of Global Customer Service, Music Industry

With Susan's expertise in coaching leaders, and a focus on energy maximizing techniques, I was able to organize my tasks and projects, while giving the guidance and leadership my team needed in order to be a high performing workgroup.

– Benjamin Thompson, Head of Customer Service, America's Native Instruments

Susan Brown is a breath of fresh air. She has a strong business perspective having worked in sales and coaching for years. She provides helpful techniques, and tools to improve communication, relationships, and overall work life joy. I'm grateful for the opportunity to work with her, and would recommend her to anyone open to feedback and wanting to improve as a leader.

– Blair Cornish, SVP Sales, VIVE

What an amazing experience! Susan made me feel comfortable by providing an atmosphere of support, encouragement and trust. She took the time to listen and provide valuable feedback and tools with many of the challenges I was facing as a leader. She truly cared about my growth and helped me see how my growth benefits those I lead and support.

– Cindy Sheridan, National Call Center Director, Liberty Military Housing
